

Instrumentation Products:

Level Measurement: Non-Contact Radar; Guided Wave Radar (GWR); Ultrasonic; Capacitance; Conductance; Magnetic Level Indicators (MLI); Mechanical; Vibration Tuning Fork; Sight Level Gauges; Transmitters & Switches.

Flow Measurement: Coriolis; Thermal Mass; Turbine; Positive Displacement; Ultrasonic; Differential Pressure; Variable Area; Vortex; Vane; Pitot Tube; Primary Flow Elements; Sight Flow Windows; In-Line & Insertion. Digital Displays

Pressure Measurement: Smart Transmitters, Switches & Gauges; Differential Pressure; Absolute & Gauge Pressure Transmitters; Pressure Gauges; Compact Transmitters & Switches; Diaphragm Seals.

Temperature Measurement: Temperature Transmitters, Switches, & Gauges; Thermowells; Thermometers.

Fittings: Tube Fittings & Pipe Fittings; Compression; Sanitary & Industrial; Stainless Steel & Exotic Materials; Single & Dual Ferrule Designs.

Valve & Control Products:

Diaphragm Valves: Industrial, Sanitary, High Purity; Stainless, Plastic, & others

Globe Valves: Angle & Straight Seat; Stainless Steel, Bronze, & other materials.

Ball Valves: 1 & 2 Piece Bodies; Multi-Port; Floating & Trunnion Mounted Balls.

Butterfly Valves: High Performance; Triple Off-Set; Wafer & Lug Style.

Check Valves: 1/4" thru 36"; Swinging Gate; In-Line; Ball Check; Duck-Bill.

Severe Service Valves: Ball, Globe, Diaphragm; Exotic Metals; High Temps.

Pinch Valves: Manual or Automated

Needle Valves, Metering Valves, & Solenoid Valves

Automation Packages: Actuators: Pneumatic & Electric; Limit Switches; Positioners; Position Indicators; Solenoid Valves; Multi-Valve Manifolds.

Regulators: Pressure & Back Pressure Reducing Valves; Gas, Liquid, Steam.

Safety Relief Valves: API, High Efficiency, Compact Performance

Rupture Discs: Rupture Discs, Explosion Vents, Sensors/Detection, Holders.

Expansion Joints: Industrial; All Styles & Sizes

Filtration Products:

Liquid Process Filters: Liquid Process Filter Elements. Depth, Pleated, Membrane, Specialty Elements; Absolute Rated; High Flow; High Efficiency; Melt Blown; Glass Fiber; Polypropylene; Polyethersulfone; PTFE; Porous Metal; Carbon; Disposable Capsules.

Air, Gas, Steam Filtration: Compressed Air Filtration; Tank Vent Filters; Industrial & High Purity Steam & Air Filtration; Desiccant Dryers; Condensate.

Hydraulic & Lube Oil Filtration: Filter Cartridges; Filter Carts, Totes, & Systems; Drum Toppers & Carts; Platform Carts; 4-Wheel Totes; Single & Tandem Filter Carts; Panel Filtration; Custom Designs. Lube Rooms. Vacuum Dehydration.

Sanitary & Sterile Filtration: Pharma Grade & Semiconductor Grade Filtration.

High Capacity Filtration: Bag Filters; Hybrid Filters; High Flow Elements.

Membrane Filtration: Reverse Osmosis (RO); Nano-Filtration (NF); Ultra-Filtration (UF); Micro-Filtration. Economical RO Membrane Replacements

Filter Systems: Custom; Self-Cleaning; Back-Wash; Zero-Liquid Discharge; Nano-Filtration; Reverse Osmosis (RO) Systems.

Housings: Bag & Element Housings; 316 Stainless Steel; Plastic & Other Metals.

Analytical Products:

Liquid Analytical Products: pH, Conductivity, ORP, Dissolved Oxygen, Sodium, Silica, Phosphate & Other Parameters. High Purity Water; On-line & Portable. MemoSense Digital Communications.

Wireless Telemetry:

Reliable, User-Friendly, & Versatile Wireless Solutions for Sensing & Monitoring. Robust long-range wireless networks; Remote Monitoring & Control; 4-20 mA, 1.5V, Modbus, Hart, Digital IO and other analog and digital interfaces.

Oil Monitoring, Conditioning, & Analysis:

Oil Monitoring: Sample Ports; Oil Conditioning PODs; 3D Sight Gauges; Bulls Eye Sight Glasses; Oil Level Columns.

Oil Conditioning: Filtration; Water Removal; Vacuum Dehydration; Membrane Dehydration; Direct Oil Filter Replacements – Pall, Parker, all Others. USA Made

Oil Analysis: Particle Analysis; Moisture Content Analysis; Sampling
